Mission, Goals and Objectives

Saint Louis University Mission

The pursuit of truth for the greater glory of God and for the service of humanity.

Doisy College of Health Sciences Mission

Rooted in Jesuit ideals, the Doisy College of Health Sciences serves humanity through education, research and engagement.

Department of Nutrition and Dietetics Mission

- 1.2 *At least 70 percent of program graduates apply for admission to a supervised practice program prior to or within 12 months of graduation*.
- 1.3 *At least 50 percent of program graduates are admitted to a supervised practice program within 12 months of graduation*.
- 1.4 A minimum of 80 percent of students completing dietetic internships and/or post-baccalaureate programs will indicate that they "strongly agree" or "agree" that their undergraduate education adequately prepared them for their post BS education.
- 1.5 At least 80 percent of students completing dietetic internships and/or post-baccalaureate programs will indicate that they strongly agree or agree that their undergraduate education made them competitive with colleagues from other programs.
- 1.6 *At least 80% of program students* complete program/degree requirements within 3 years (150% of the program length)*.

-program completion rate is calculated by tracking students from the beginning of the junior year.

*ACEND specific Objectives

Goal 2: To prepare a graduate who is knowledgeable about nutritional care in multiple settings and demonstrates specific personal and professional competencies.

- 2.1 A minimum of 80 percent of dietetic internship directors will indicate that graduates were more than satisfactorily prepared for success in their dietetic internship program.
- 2.2 A minimum of 80 percent of students will indicate that they strongly agree or agree that they felt adequately prepared for the dietetic internship program.

Goal 3: To provide a basis for further development and life-long learning that will assure continued competence.

- 3.1 A minimum of 85% of graduates will answer that they agree or strongly agree that the DPD program instilled a desire for continued development as a self-learner.

Goal 4: To prepare a graduate who will contribute to society based on development of a sense of community and social/civic responsibility.

4.1 A minimum of 75% of graduating seniors will have participated in a total of at least 20 hours of service learning by the end of the DPD program.

4.2 A minimum of 85 percent of graduates will indicate that they agree or strongly agree that the DPD program supported development of judgments respectful of the inherent dignity and worth of individuals.
