Living Our Institutional Vocations

5-1-2023

Preamble

Relationship of this Plan to Other Institutional Commitments

These priorities do not constitute an exhaustive list of things we care about as an institution. *at this particular point in SLU's history, in this particular higher educational landscape, and for the next five years*

ASP Structure and Components

Strategic Priorities
Strategic Goals
Priority Actions

Goals

Strategic Priorities
what we aim for SLU to have achieved, by the end of the 5-year ASP timeline

Strategic

Priority Actions

!

Wherever we can, we will invite faculty, staff, and student ideas and projects to shape the Actions and advance achievement of the Goals.

We are open to experimentation and pilot-testing of actions, and will support, as we are able, faculty and staff initiatives to change what is

Commitment of Institutional Resources
