2. Describe how, and the extent to which, program faculty contributeth to development of this plan.

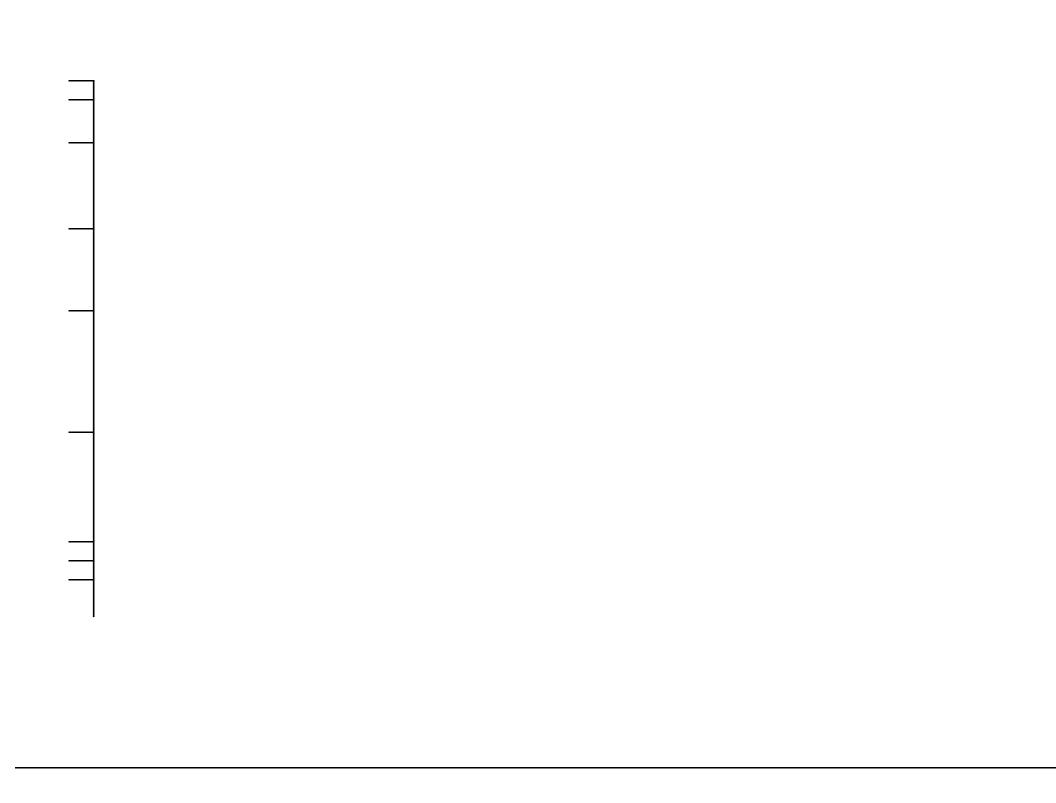

All business school faculty contributed to the continued on the <u>CBK learning outcomies</u>Spring 2016 beginning with the work of the undergraduate curriculum board and then schoolde work at the May 2016 and Auguan16 all business faculty retreats. This included editing of the learning outcomes as well as rubric design to assess a learning outcome (e.g. dealsing, written communication) for use across multiple departments.

Major learning outcomeswere developed/revisedby the department faculty in a collaborative/iterative anner in department meetings/circulated electronicallyin AY 1718. Where applicable, departments utilized the rubrics already created for assessment of the CBK learning outgownetting rubric, decision making rubric). In cases where existing rubrics were not appropriate for measuring the major learning outcome, the department faculty worked to create/modify rubrics to assesse:
