

Program Level Assessment: Annual Report

Program: Athletic Training (AT)

Department: Physical Therapy and Athletic Training

Degree: Master of Athletic Training (MAT)

College/School: Doisy College of Health Sciences

Date (Month/Year): August 2021

Primary Assessment Contact: Anthony Breitbach

In what year was the data upon which this report is based collected? **2020**

PLO 3: MAT 6960: Interprofessional Team Seminar

Goal- assignments in the course will be reviewed with an average of 85% respectively achieving a ranking of “mastery/achieve” using the corresponding assessment rubric. 5/6 (83%) of assignments described the outcomes associated with Interprofessional collaborative practice at “reinforce” level.

NOT MET

PLO 5: MAT 5700: Preceptor Assessments

Goal- assignments in the course will be reviewed with an average of 85% respectively achieving a ranking of “introduce” using the corresponding assessment rubric. 100% of students rated at 2.5 level or above in preceptor assessment of 7 Patient Care (PC) milestones. This corresponds with “introduce” level on the corresponding assessment rubric.
