\*\*IMPORTANT NOTES:

\*\*IMPORTANT NOTESThe ratings, identified by the column headings below, are of increasing complexity moving across the table (from left to right). Students mus—t be able to first identify the Jesuit mission (the Oknowledge—Ó rating). The students can then progress to being able to demonstrate the Jesuit mission by caring for the whole patient (that is, meet the Oanalysis O rating). Likewise, in order for students t—o reach the OsynthesisO rating, they must incorporate their OknowledgeO and OanalysisO and provide evidence of the Jesuit in the profession.
