ProgramLevelAssessment: Annual Report

Department: Chemistry

2020.	•	•	

All the relevant courseswere offered in-person, with the exception of CHEM 3100 in the second half of Spring of

Our results show that are students are doing very waeld meeting expectations with regards soientific communication and inhab research objectives No specific actions need to be taken.

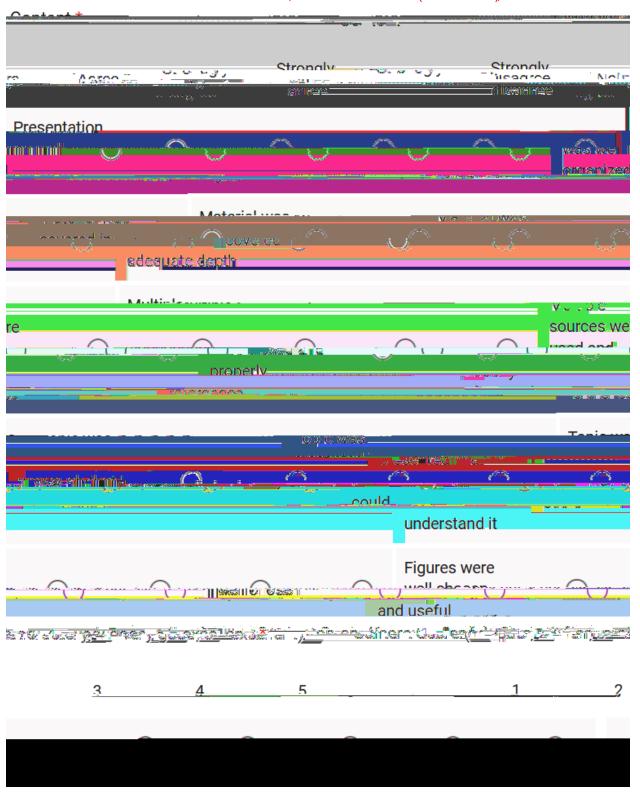

7. Cbsing the Loop: Review of Previoussessment Findings and Changes

A. What is at leasone change youprogramhas implemented in recent years as a result of previous sessment data?

While no changes have been made directly to the assessmittentia or courses, we have made some minor changes early on in the major course sequence that could have consequences on research objectives later in the program.

In order to give our majors more exposure to our department's research program and to improve connections

PresentationRubric Chemical Literature (CHEMB100), Outcome 4

Delivery *
