Were there specific budgetary request for additional faculty of FTEs to carry out the changes that are in this proposal. In addition,

petition process for this student request. The student would petition through the new form with all the correct signatures to say they want to change the catalog. They would meet with the advisor to determine their catalog of record.

Would substitutions or any type of unique opportunities be in the system for any academic units.

Yes, that would follow standard process for any substitutions. Any exceptions being made now is based on following your departments procedures.

It would be beneficial to streamline the process and getting some information from advising on how this process can be improved. Advising could have an important role.
