1) Call to Order and Announcements

- Welcome to first Fall UUCC Meeting. We have two new representatives starting this Fall: Filippo Marsili (CAS- Humanities) and Anne McCabe (SLU Madrid)
- UUCC Recognition Dinner at Dr. Pestello's home tonight at 6:00 p.m.
- Ellen will be meeting with Martin Brief from Tidy Projects this week to discuss help with our core visual for proposal to all SLU community.

2) Review of Current Drafts or Core Component

- Presented a new common template for our one-page Core Component Requirement forms: all should conform to this template.
 - Discussed three goals: 1) standardizing outcome language. 2) Broad consensus statement of what to say to SLU on transfer, AP, IB maybe 1818. How we are going to articulate the proposal and recommendation. 3) Write introduction or vision statement or framing document for the common core.
 - Immediate goal for the next 2 weeks: get all the components collectively drafted in subcommittees and reviewed by the whole UUCC in advance of a committee vote.

we want to see as evidence that this flag has been met. Centered around the idea of coordinating multiple perspectives in the service of understanding the complexity of community life.

- Bryan: Does it matter when this experience beyond the classroom happens? Can the box be checked with a brief orientation, or does the student have to do something more substantial, like a service project?
- Discussed that at minimum if it's not 5, 6 and 7 that students must reflect on in regards to their External engagement experience, then it should be "with and for others" (the last line of the SLO).
